### Attendee Comments:

Great speaker! Very funny, kept us awake for the final session of the day!
Very practical information that is relevant for the current workplace. Speaker has great humor and energy.
High energy and what was needed at the end of the day.
Loved her! Kept my attention throughout!
Very energetic and engaging.
Very relevant and engaging
So engaging and fun! Just what was needed after a long day!
Combining usefully and usable information with humor is the best way to learn. Love it!
Loved this! One hour wasn't enough
Easily my favorite session of the whole conference!
Wonderful presentation and covered the topic well.
